

Dear Friends,

The summer is quickly approaching and we want your clubbers to join us for Awana International Canada's **Ontario Scholarship Camp 2011!**

This summer we will be returning to Deer Lake Conference Centre for an exciting week of Bible lessons, memory verses, Bible quizzing and challenging Chapel messages. We will also have lots of fun games and activities. Please encourage your clubbers to join us for the week of July 16-23.

Awana International Canada is excited to have Phil Whitehead join us as the director for OSC this year. His experience in running OSC is a real positive for our camp and we are looking forward to Phil's leadership. If your child is joining us for camp this year you will receive regular communication from Phil as we lead up to the summer.

Our desire at Awana International Canada is to work closely with other organizations. This year we have outsourced the administration of our scholarship camp to Crosslinks Ministries. We are pleased to partner with Phil Whitehead in this capacity. Payment for OSC will therefore be made to Crosslinks Ministries and mailed to their address.

Thank you for considering OSC as a week where your clubbers can experience a time "alone with God" supervised by godly and caring staff.

Because kids matter to God,

Dave & Joyce Kinsey
Your Awana Missionaries in
