## Awana Orientation—Basic Training Track

Workshop Periods One through Four - Joyce Yates

This 4 part workshop is part of the requirements for becoming a certified Awana leader and is recommended for all new leaders and LIT's. It is also a good refresher for veteran leaders. Session One begins in the gym. Sessions Two through Four continue in the classroom. It is recommended that you attend all four sessions for maximum benefit.

## Commanders/Directors

The Great ShakeUP - Dave Kinsey

We tell clubbers to invite their friends to Awana, but give them little help in knowing how. Well, here's how! Maximize your next kid-invite-kid initiative with these great resources free from Awana.

PowerUP - Dave Kinsey

Children who participate fully in handbook lessons are more likely to follow God as adults. Find out about the free PowerUP resources to help clubbers complete their handbooks for comprehensive discipleship that will resonate for a lifetime.

## Cubbies Directors & Leaders

Two hours of Cubbies training for new and experienced directors and leaders led by Barb Osborne, Cubbies Director at Carruthers Creek Community Church. Workshop sessions one and two this morning.

## 24-7 (Youth) Ministries Leaders

Five different workshops by a variety of workshop leaders are offered today for those who work with youth in the church. Look for the 24-7 logo on the schedule of workshops.

## Coffee & Lunch

Coffee, tea and muffins are available during registration and throughout the day while supplies last just outside the kitchen in the Fellowship Hall. Please enjoy your snack before entering the sanctuary.

A light lunch will be served in the gym on the lower level. Please remind your second session workshop leader to ask the blessing on the food before dismissing the class. Find some new friends and enjoy fellowship over your meal. Then, check out the Awana sales table and display. We trust you will enjoy a relaxing time as you fellowship with Awana leaders from across the area. Make an effort to include leaders from other churches in your group!

Your help is appreciated in keeping all areas of the facility clean. Please place all litter in it's proper place. After the conference, if you're not in a hurry, see if there is anything you can do to help us clean up and clear out. Thank you for helping make our work load lighter.

## Sales Tables
